28 JULY 1936

SIR,

Utilisation of the services of the lady candidates who have passed the Ayurvedic Vidwat Examination.

I have the honor to state that two lady candidates--Srimathi H. N. Visalakshamma and Srimathi Shamalamma--who were being given a special scholarship of Rs.20 per mensem to enable them to undergo the Ayurvedic Vidwat Course, in the Ayurvedic and Unani College, Mysore, successfully passed out of the College this year. They now pray that they may be fixed up in the College on suitable pay. The Vice President of the College Committee who was consulted in the matter recommends, in consultation with the members of the Committee, that they may be appointed as apprentices for a period of one year on a stipend of Rs 30 per mensem, the question of their permanent appointment being considered thereafter.

2. This is the first time that the lady candidates took up the study of Ayurveda and obtained the diploma and their case deserves special consideration, both as a recognition of their qualification and as an incentive for others to take up the study of Ayurveda. I, therefore, request that sanction of Government may kindly be obtained to the Vice President's proposal to appoint them as apprentices for a period of one year on a stipend of Rs 30 a month. As regards the source for meetingx this expenditure, I may state that a provision of Rs 20 per mensem towards the scholarship of these candidates has been repeated in the budget of 1936-37 and this will be utilised for the grant of the stipend, the balance of Rs.10 (Rupees Ten only) still required, being met from the

savings under "Scholarship Grant of the College" for the current year.

3. Their applications are also enclosed for perusal and return.

I have the honor to be,,

Sir,

Your most obedient servant,,

Respected Sir,

I, the undersigned beg to state that I am one of the two women candidates who passed in the final Examination this year, for the first time from the Ayurvedic College. My rank is second in II Class.

I am highly grateful to the Government for awarding me a scholarship and enabling me to pass the examination. I am an orphan Widow with none to support. Had it not been for the generosity of the Government, my life would have been a miserable one, in spite of my enthusiasm to study and pass some examination to eke out my livelihood.

Now I have passed the examination, the scholarship of Rs.20/- which I was getting during my course of studies ceases to continue and it is very hard for me to live.

I beg of you to be so good as to get me an appointment carrying a salary suitable to my qualification and keep me in the Ayurvedic College. In this connection, I request that you will kindly take into your kind consideration the fact that this is the first time, women have come forward to qualify in Ayurvedic system of medicine and that women L.M.P.s are started on a salary of Rs.75/- in the Medical Department and I also deserve similar encouragement.

I promise to work hard and give you entire satisfaction regarding my work and conduct.
